

NEW Exam / Presentation day

The presentation day was a HUGE success. The children loved performing on the big stage.

The children only had 2/3 classes to learn their routines, so did extremely well ☺

The professional photographs taken will be shared on our Facebook page when they are received, and you will be able to save any you like.

Your efforts helped to raise **£383.50** for the Neuroblastoma Society Childhood Cancer Charity, and I will hopefully get approval to double it with a bank match ☺

As announced on the presentation day, all the street dance group ratings were challenged with IDTA and confirmed as Honours – trophies will be on their way to those children from the dance school.

Any children who were unable to attend the presentation day should have had their awards presented to them in class too.

Exam summary

100% pass rate

Each child received 75% or above

38% of the children received the highest rating of honours or distinction

A MASSIVE well done to all of the children, teachers and parents!

NEW Good luck to Miss Gemma & welcome our new teachers

I'm sure you will all agree everyone is going to Miss Gemma and bump, who have done amazingly well to support the children through their exams and the presentation day!

I'm sure Miss Gemma will no doubt get a little tearful before she finishes on Sat 12th Dec too!

It is only short term though as she will be back Sept (maybe a little guest appearance beforehand too!)

I'm sure you will love our new teachers too ☺

- Thursday – Davenham – Miss Hannah
- Thursday – Moulton – Miss Gemma (a different Miss Gemma!)
- Saturday – Moulton – Miss Amy (who has taught at the dance school before)

If you have not yet met your child's new teacher, they will all be in classes now before the Christmas break, so go and say hello and make them feel welcome to the Dancingkidz family!

What classes will we have from Jan?

The timetable will return to normal ☺

What class shall we run Wed 6-7 in Hartford?

We are happy to run a 10 week course for either **Bounce DanceFit** or **Fitsteps** - both options are available online, and we will confirm by 5th January which class has the majority vote.

Reservation bookings

Why do we have a reservation system?

- So you are guaranteed a place in class and don't arrive to establish the class is full and you are unable to participate ☺
- To enable us to communicate with you if your class is cancelled due to unforeseeable circumstances at short notice
 - So your classes are not overcrowded.

Why not pay at the time of reservation?

- We try to make it fair to class pass holders so they can reserve a class place also
- We understand there are some unforeseeable situations that result in non-attendance. It doesn't feel right that you pay for a class you were genuinely unable to attend

January reservations now available online!!
You can book up to one month in advance, so you don't forget what you have reserved.

NEW Pilates - spring course

Our Pilates last class is on Thurs 10th Dec

The spring term 10 week course starts

reserve your place online

If we are able to offer any PAYG availability after the course places have been allocated we will let you know

Thank you to everyone who was available to come along and try one of our Bounce Dancefit classes throughout November held by Sue or Sharon ☺

We have sent everyone who attended a questionnaire to find out what you thought of the class, and if you would like a class to feature regularly in our timetable.

We will keep you posted.
