

NEW Maternity Leave / Class timetable changes

Miss Hannah is expecting her first baby early January; please join me in congratulating her and her hubby on their wonderful news.

Miss Hannah has had a challenging first trimester hence the reason for the cancelled class mid-term due to sickness, but she is starting to feel much better in herself now.

Miss Gemma is returning from Maternity leave in September and will be returning to Saturdays.

I was hoping to attend all classes this week to be available to answer any queries anyone may have regarding the changes below however, sadly having a knee operation on Monday has not made that possible so please contact me with any queries.

Impacts

* From September, sadly we will not be offering ballet classes on Wednesday's, all parents of children impacted have been contacted offering alternative class places for a Thursday or Saturday class.

* Miss Hannah will continue to teach ballet classes in Davenham on Thursdays until December when her maternity leave will commence.

* Miss Laura will continue to teach classes in Moulton on Thursdays until we find a full time teacher – interviews are currently in progress. Sadly, Miss Laura is unable to accept the position full time as she has panto commitments yearly.

* Miss Gemma will return to teach on Sat mornings.

* Zumba kids classes will be relocated to Moulton throughout the winter term starting this Thursday.

* No impact to Thurs class timetable

* We may have some minor changes to our Sat morning timetable depending on our wed class children movements – we will advise of any changes before enrolment at the end of term.

Update Knee Operation

Knee operation went to plan so a period of physio will now take place so hopefully back to normal for the start of the winter term ☺

Miss Laura is taking the last 3 zumba kids classes of the term.

Parents were invited into class last week to actively participate which hopefully they enjoyed!!

New Class reviews

Our teachers have been recently assessing children's suitability to the class they currently attend.

Teachers have been adding some higher graded steps into classes to see how the children have reacted. If we think your child maybe suited to a higher grade we will be requesting your permission to try them over the next few weeks.

The exams are scheduled for Oct'17, so we would want to give the children as much opportunity as possible to learn the syllabus they will need to demonstrate in their exams, therefore changes will be made for the start of the new term if applicable.

NEW

Clubbercise classes have been a huge success.

The launch week was very exciting, glow paint on faces, glow in the dark whistles and shot drinks (non-alcoholic) added to the excitement!!

You were all very supportive and lively as usual ☺

We have chosen some **winners to receive a free class in July** from the pictures uploaded to our Facebook page and liking our Facebook page:-

Ursula and Natasha Reeves for being the first daredevils to share sweaty faces with everyone
Donna Protano for posting the most pics
Pauline Godfrey for the spookiest glow
Dawn Sime for being our first like
Rachel Taylor for being out 100th like
Kirsty Egerton for being our 200th like

Sadly due to my knee operation, Wednesday classes are now on hold until September but Monday and Tuesday 'club nights' are not impacted.

We are conscious having attendees from 3 classes into 2 might be a challenge for availability, so we opened up the reservation page to allow bookings up to 2 months so everyone can reserve well in advance.

Update Knee Operation

My knee operation went to plan so just need to rest up for 6 weeks and hopefully get the all clear to start building up my bounce steps over the summer holidays ☺

All classes are back to normal now with the wonderful assistance of Sue Clark, Louise Platt and Louise Roberts who will be demonstrating all the class dances/exercises for you over the next 6 weeks.
