

Reminder Moulton relocation dates

November dates reminder below

Throughout the year in Moulton, we relocate from the village hall to the Methodist hall to accommodate drama productions, Christmas fayres and elections.

This year we do not need to move for a Christmas fayre however, on **Saturday 10th December** the church do need access to the main hall at 2.15pm. This will impact our grade 2 ballet class so we will combine our Grade 1 and Grade 2 ballet groups together on their last day of term, their class will be 1.30-2.10pm.

Dates we need to relocate from Moulton Village Hall to Moulton Methodist Hall

Reminder Half term fancy dress

Children are invited to wear fancy dress costumes to their classes w/c 24th October before we finish for the half term break

We are not going to fundraise this year it's just if the children would like to have a bit of fun ☺

NEW Attendance

We understand there are occasions when children are unable to attend their lessons (other commitments / school events/parties etc) however, attendance this term has been very low and starting to worry us, as we know how much work the children need to get through before their exams next Sept/Oct.

We extended the exam timeframe from 18 to 24 months to allow the children a longer timeframe to learn their work and become more comfortable/confident approaching their exams, but we are worried we are not progressing forward as quickly as we would have liked, to allow the children a worry/stress free period leading up to their exams.

Can we please request children attend as many classes as possible - we will be assessing the children at the end of next term to ascertain who is ready for their exams, and we would like to offer all the children as much support as possible ☺

NEW Nov-Dec Timetable

Thank you to everyone for making your class reservations throughout November and December ☺

We have reviewed everyone's interest in classes leading up to the festive period and can now confirm when all the classes will be finishing until the new year.
